Surrounded by a lush private garden, Property 10475 is the perfect location for unforgettable day trips to the most beautiful towns in Tuscany and provides a unique opportunity to admire its splendid landscapes while soaking up the region's historical and cultural heritage.

The villa is a few kilometers from Capalbio, an alluring town standing at the top of a hill covered with Maremma brush. Because of its elegance, Capalbio has become a holiday destination for the elite, drawn by the evocative atmosphere in the streets and the ancient castle that dominates the valley below. Orbetello is nestled on a narrow strip of land stretching through a lagoon with the same name. Elba captivates visitors with its crystal-clear sea, beaches and coves, quaint villages and marvelous wildlife. This remarkable scenery is shared with the six other small islands forming the Tuscan archipelago, one of the most fascinating corners of Italy. After lunch, walk to the San Martino villa, his summer residence.

The villa is a few kilometers from Magliano, famous for its delicious Morellino di Scansano wine. Boasting a pleasing medieval aspect, the town is perched on a hill with vineyards and olive trees right in the middle of the Maremma, whose natural park extends into the town's municipal territory. The picturesque seaside resort of Porto Santo Stefano overlooks the northern side of the peninsula. Particularly beloved are the promenade along the seafront and the port. From here, you can also explore the nearby Giglio Island.

Monte Argentario attracts tourists from all over the world for its unique landscape, its marine environment and its mild climate, which makes it a perfect holiday destination for most of the year. In addition to its natural beauty, the charm of Porto Ercole derives from the imposing Spanish fortresses that were built in the 16th century: Forte Filippo, la Rocca and Forte Stella are three perfectly preserved fortifications from which you can admire the wonderful views of the sea.
