DESCRIPTION

Property 10753

Location and Surrounding Area

Set in one of the most appreciated areas in Apulia, just a few kilometers from the marvelous Adriatic coast, this exclusive six-bedroom villa is ideally located to offer complete privacy and tranquility to its guests, providing an opulent escape for those who want to explore the Valle d'Itria and its countryside, dotted with characteristic trulli, dry-stone walls, vineyards and olive groves stretching as far as the eye can see. Known for its scenic rural landscape, historic towns, excellent food and wine, the Valle d'Itria features all the ingredients for the perfect vacation.

The masseria is just a stone's throw away from Ostuni: appropriately nicknamed "the white city", Ostuni's location, just a few kilometers from the Adriatic, gives this hilltop town great views of the crystal-clear waters. Its historic center is located on a steep hill, with the beautiful 15th century cathedral of Santa Maria Assunta at the top. With its ancient cobblestone streets, great churches and quaint white houses, Ostuni boasts remarkable history that goes back to the Stone Ages.

The villa is also a few kilometers from Cisternino, which has been designated as one of the country's most beautiful cities, and boasts lots of small alleyways for wandering in the historic center. After you have visited the historic Chiesa di San Nicola, you can get charming views of the countryside from Piazza Garibaldi, across the street from the church, and the Torre Civica, the tower which helped to protect the city. The villa is just half-an-hour drive from Martina Franca, the largest town in the Valle d'Itria.

The villa is also a few kilometers from Locorotondo, a whitewashed hilltop town designated as one of the most beautiful towns in Italy. The old city radiates out around the 19th century neoclassical Chiesa Madre San Giorgio, a church dedicated to the patron saint of the city. Since Locorotondo is perched on a hill, you can get amazing views of the surrounding countryside from the Villa Comunale, the public garden located on the west side of the historic center.

In less than one hour by car, you can reach Alberobello, perhaps the most famous town in the Valle d'Itria. A UNESCO World Heritage Site, Alberobello boasts over 1,500 densely packed trulli, circular stone buildings with conical tops that are built without mortar. Unique to the Valle d'Itria, these buildings were originally built as field shelters or for storage, and in some cases as dwellings for rural families. Since trulli are generally found dotting the countryside and never in such a large concentration, Alberobello certainly makes for an unusual sight.

Property 10753 is 52 km from Brindisi Airport (also known as Salento Airport) and 111 km from Bari Karol Wojtyla International Airport. The villa is 16 km from Ostuni, 22 km from Cisternino, 22 km from Martina Franca, 29 km from Locorotondo, 37 km from Alberobello, 48 km from Noci, 53 km from Monopoli, and 60 km from Polignano a Mare.
