DESCRIPTION

Property 10316 - PORTO SAN PAOLO

6 Bedrooms

Location and Surrounding Area

Located in Porto San Paolo, near Olbia, one of Sardinia's most captivating locations, this exclusive six-bedroom villa offers complete privacy and tranquility, making it a unique retreat for those eager to explore the area's stunning beaches and crystal-clear waters. The coastal stretch south of Olbia has transformed from a rugged wilderness into a sought-after destination, attracting Italians and international holiday-makers to its beautiful shores every summer.

Despite some recent development that has impacted the landscape, the seaward view remains unspoiled, dominated by the striking silhouettes of the Tavolara and Molara islands. Porto San Paolo, the largest town along the coast south of Olbia, is a modern settlement that tends to be quiet for most of the year but comes alive with visitors during the summer months.

While there is a sandy beach within Porto San Paolo, the best beaches are just a short distance away. Porto Istana, a few kilometers north, features a sandy bay with calm waters protected by Tavolara, along with sun loungers for rent and a summer bar. From there, it's easy to explore Capo Ceraso, at the southern tip of the Golfo di Olbia, where more beautiful beaches are nestled among Mediterranean scrub and pink rocks.

Three kilometers south of Porto San Paolo, Porto Taverna offers good swimming opportunities, while Capo Coda Cavallo provides more seclusion and breathtaking views of Molara. The islands of Tavolara and Molara, rising dramatically from the coast east of Olbia, are excellent destinations for a day trip, with boat excursions offering close-up views and crystal-clear swimming spots around their shores.

Just a kilometer or two beyond Sa Testa on the Golfo Aranci road, you'll find Pittulongu, a favorite local swimming spot with three beaches overlooking Tavolara. The resort is well-equipped with facilities for renting sun loungers and parasols during the summer months. Nearby Porto Rotondo, developed in the wake of Costa Smeralda's rise, features orange villas sprawling over the hills, chic boutiques, and a modern granite church in the central Piazzetta San Marco.

Property 10316 is 12 km from Olbia Costa Smeralda Airport.
