Location and Surrounding Area

Located in one of the most appreciated areas in Apulia, just a few kilometers from the coast, this five-bedroom farmhouse is ideally situated to offer complete privacy to its guests, providing an opulent retreat for those who want to explore the Apulian coast and its countryside, dotted with characteristic trulli, dry-stone walls, vineyards and olive groves stretching as far as the eye can see. Famous for its whitewashed towns and beautiful beaches, the region features all the ingredients for the perfect vacation.

The villa is just a stone's throw from the spectacular beaches and crystal clear waters of Torre Lapillo, Porto Cesareo and Punta Prosciutto. The villa is also a few kilometers from Ostuni, which shines out against the surrounding verdant landscape, and from Cisternino, often listed as one of the most beautiful towns in Italy. After you have visited the historic Chiesa di San Nicola, you can get charming views of the surrounding countryside from Piazza Garibaldi, across the street from the church.

The villa is a few kilometers from Martina Franca, the largest town in the Valle d'Itria. Being in the heart of the valley, Martina Franca is a great base from which to explore the area, but spend some time exploring its old center which boasts beautiful Baroque architecture and quaint streets. The villa is a few kilometers from Locorotondo, a whitewashed hilltop town designated as one of the most beautiful towns in Italy. In one hour by car, you can also reach Alberobello, famous for its trulli houses.

The villa is also a few kilometers from Savelletri, a pretty port town with beaches and great dining options. Known for the quality seafood, Savelletri offers a traditional fishing village atmosphere. Enjoy some fresh fish just brought in by the fishermen and stroll along the charming seafront. There is a lovely waterfront church with Templar symbols, which is dedicated to the patron saint, celebrated in grand style on the second Sunday of August with a procession by sea of boats.

Property 10318 is 42 km from Brindisi Airport (also known as Salento Airport), 160 km from Bari Karol Wojtyla International Airport, and 399 km from Napoli Capodichino International Airport. The villa is just 17 km from the beaches of Torre Lapillo, 23 km from the beaches of Porto Cesareo and 25 km from the iconic beaches of Punta Prosciutto. The villa is also 63 km from Ostuni, 70 km from Cisternino, 72 km from Martina Franca, 79 km from Locorotondo, 87 km from Savelletri, and 88 km from Alberobello.
