DESCRIPTION

Property 10468 - POSITANO

6 Bedrooms

Location and Surrounding Area
Set in the heart of Positano, Property 10468 enjoys a beautiful position along Viale Pasitea, one of the town's most scenic streets. Perched above the sea, the villa offers lovely views of Positano's colourful houses, the coastline and the sparkling waters of the Amalfi Coast. Its location combines the charm of the town with the convenience of being close to its boutiques, restaurants, cafés and picturesque streets, making it an ideal base for experiencing the unique atmosphere of Positano.

Just steps from the villa, Positano reveals all the charm that has made it one of the most celebrated destinations on the Amalfi Coast. Its pastel-coloured houses cascade down the cliffs towards the sea, creating an unmistakable Mediterranean landscape. The picturesque historic centre, with its narrow lanes, boutiques and cafés, leads down to the iconic Spiaggia Grande and the Church of Santa Maria Assunta, while the quieter Fornillo beach offers a more peaceful setting.

From Positano, the coastline unfolds through a succession of villages and natural wonders. The nearby Praiano is known for its beautiful sunsets and dramatic coastal scenery, while the famous Fiordo di Furore offers one of the Amalfi Coast's most striking landscapes, with its tiny beach nestled between sheer cliffs. Further along the coast, Amalfi combines a rich maritime history with elegant architecture, while the charming village of Atrani and the magnificent gardens of Ravello, including Villa Cimbrone and Villa Rufolo, are well worth exploring.

The area also offers wonderful opportunities to experience the coast from the sea or on foot. Boat excursions from Positano provide a memorable way to discover hidden coves, secluded beaches and the coastline from a different perspective, while the famous Sentiero degli Dei leads through the dramatic landscapes of the Lattari Mountains towards Positano. For a day trip, the island of Capri is easily reached by boat, offering another iconic corner of the Mediterranean with its elegant atmosphere, spectacular scenery and crystal-clear waters.

Property 10468 is 64 km from Naples Capodichino Airport and 86 km from Salerno Costa d'Amalfi Airport. The villa is just a one-minute walk from the true heart of Positano. Property 10468 is one of the very few villas in the area that can be reached by car right up to its entrance gate, a rare convenience in a location where most properties are accessible only on foot, followed by approximately 60 steps leading up to the residence itself.

Flooded with natural light, the lower level of the villa features a spacious, fully equipped open-plan kitchen with a central island, creating a welcoming and practical space for preparing meals and spending time together, as well as a bright dining room opening onto the main terrace. The middle level, which also serves as the villa's entrance level, houses a double bedroom complete with an en-suite bathroom with a large shower. The bedroom also includes access to a private terrace overlooking the sea. From the corridor, a staircase of 25 steps leads to the upper floor, where you will find three double bedrooms and two bathrooms with showers. Two of these three bedrooms have a sea-view balcony. All bedrooms on every floor feature either a queen-size bed or two single beds.
