This enchanting world opens up gently with colorful flower meadows and picturesque forests, which slowly become steeper and more rugged to reveal a landscape of mountain peaks and grey gorges: climb to new altitudes, take in vast plateaus and crystal-clear mountain lakes. The Natural Park Puez-Odle, just a stone's throw away from the chalet, embraces the area around the Odle Group and the high plateau of Puez, and covers an area of 10,196 hectares. Past the imposing rocky walls which enclose it like a treasure chest, the National Park Fanes-Senes-Braies reveals vast plateaus, beautiful forests, and picturesque lakes.
