DESCRIPTION

Property 1605885703 - NAPOLI

6 Bedrooms

Location and Surrounding Area

Located in the heart of Naples and steps from the city's most exclusive dining, shopping and entertainment options, this elegant six-bedroom residence is the perfect place for an elegant break in one of the most beautiful cities in the world. With a peaceful yet central location, many of Naples' most famous attractions are within easy walking distance, with the rest just a short taxi ride away. It would take weeks to see all that the city has to offer, but a few days is enough to explore Naples' most beautiful sites.

Naples is a city in which periods of history seem to overlap and form an idiosyncratic whole containing many treasures for you to discover and enjoy. Bask in the warmth of its people, savor its rustic southern cuisine and thrill to its bustling, noisy, urban charm. Ascend the funicular to the district of Vomero. At the monastery of San Martino, pause at the belvedere for a spectacular view of the city. Visit the museum at the former monastery, with its collection of nativity scenes, then climb up to the ramparts of Castel Sant'Elmo for panoramic views. Finish the day at lovely Villa Floridiana, which houses a ceramics museum.

Spend the day in the heart of the city. Begin at the Museo Archeologico Nazionale di Napoli, packed with treasures from Pompeii and Herculaneum, then wander narrow streets lined with ancient buildings and lovely churches to arrive at the spectacular cathedral of San Gennaro. Take a bus to Capodimonte and visit the palace museum. Chiaia is considered Naples' most elegant quarter, with designer shops and the famous seafront, a long but pleasant walk starting from Castel dell'Ovo, a fortress resembling a cliff of volcanic rock rising from the sea, and finishing in Mergellina, an ancient fishing village that is now the city's tourist port.

Stroll along Via Posillipo, which follow the promontory just north of the city, offering marvelous views. There are many historic houses and other splendid private residences, many of which have their own path down to the beach. While pizza is a Neapolitan specialty not to be missed, you should also try the delicious sfogliatella, buttery puff pastry filled with ricotta flavored with cinnamon and orange peel.
