DESCRIPTION

Property 1651263693 - SCIACCA

4 Bedrooms

Location and Surrounding Area

Located near Sciacca and featuring spectacular views of the Mediterranean Sea, these four-bedroom villas are perfectly situated to offer complete privacy and tranquility to its guests, providing a perfect retreat for those who want to explore this area's beautiful beaches and crystal-clear waters. Property 1651263693 also provides a unique opportunity to admire Sicily's splendid landscapes while soaking up the region's incredibly rich historical and cultural heritage.

Carpeted with vineyards and olive groves, Southwestern Sicily is home to some of the Mediterranean's most fascinating Greek archaeological sites. Highlighted by the Temple of Concordia, the Valley of the Temples is one of the most extensive and representative archaeological sites of classical Greek civilization. Nestled among olive trees on a ridge near the sea, Agrigento boasts some of the best-preserved Greek temples in the world as well as sparkling beaches, marvelous islands and crystal-clear waters.

The coastal strip between Agrigento and Sciacca is dotted with gorgeous, yet still-unknown beaches encircled by sand dunes and white cliffs. The curving white walls of Scala dei Turchi form an exceptional backdrop: a large staircase-shaped white cliff reflecting the light of the sun and enhancing the blue of the sea below. The unspoiled dunes of Porto Palo embody the African soul of Southern Sicily: despite its limited services, this peaceful corner boasts fine sand, shallow depths and limpid waters that will not disappoint.

The villa is just a stone's throw from Sciacca, a lively seaside town in the Southwest of the island. Important center for the ceramic manufacturing, sought-after holiday resort especially by young people and famous for organizing the most beautiful Sicilian Carnival, Sciacca has by now grown as a significant resort on the Southern coast of Sicily. Located 100 km off the coast of Sicily, Pantelleria boasts gorgeous swimming spots, including the famous Balata dei Turchi Bay, Martingana and Kattibuale.

The villa is also a few kilometers from Marsala. Many know about its sweet dessert wines, but few people realize what a charmer the town of Marsala is. Though its streets are paved in gleaming marble, lined with stately baroque buildings and peppered with graceful piazzas, Marsala has pleasures that are simple: a friendly evening stroll, also known as passeggiata, most nights, plenty of aperitif options and family-friendly restaurants aplenty.

Having been the crossroads of civilizations for millennia, Palermo delivers a heavily spiced mix of Byzantine mosaics, Arabesque domes and frescoed cupolas. This is a city at the edge of Europe and at the heart of the ancient world, a place where souk-like markets rub up against baroque churches, where date palms frame Gothic palaces and where the blue-eyed and fair have bronze-skinned cousins. Centuries of dizzying highs and crushing lows have formed a complex metropolis.

Property 1651263693 is 130 km from Palermo Falcone-Borsellino Airport, 210 km from Catania-Fontanarossa Airport and 333 km from Reggio Calabria Airport. Sciacca is 16 km, Agrigento is 51 km, Marsala is 90 km, Licata is 92 km, Palermo is 110 km, Trapani is 127 km, Caltagirone is 158 km, Ragusa is 179 km, Modica is 196 km, Syracuse is 260 km.

Offering breathtaking views of the resort and the Mediterranean Sea, a lush garden surrounds the property and leads to a 60-sqm infinity pool surrounded by a generous poolside area with comfortable sun loungers inviting guests to sit back and relax. Complete with a terrace with lounge and dining area under the shade of a pergola, the outdoor space represents an idyllic spot for basking in the sun and enjoying moments of relaxation in the company of a good book.

Flooded with natural light, the ground floor features a generous living room with comfortable sofas with plenty of seating, a spacious dining area complete with fully-equipped kitchen, a study, a laundry room and a bathroom with shower. On the first floor you will find three double bedrooms with en-suite bathroom. Two bathrooms have shower and one bathroom has both shower and stand-alone tub. All the bedrooms have direct access to a spacious terrace.

Each bedroom is en-suite and comes with its own access to the terrace, providing wonderful reading nooks around the villa backdropped by the calming seascape. The double bedroom is complete with en-suite bathroom with shower. Each bedroom features king-size bed and en-suite bathroom. An extra bed for an additional guest can be added in the living room on request.
