Location and Surrounding Area
Located in the heart of Rome and just steps from the city's most exclusive dining, shopping, and entertainment options, this elegant Palazzo is the perfect place for a stylish break in one of the most romantic cities in the world. With a peaceful yet central location, many of Rome's most famous attractions are within easy walking distance, while the rest are just a short taxi ride away. It would take weeks to see all that the city has to offer, but a few days are enough to explore Rome's most beautiful sites.

Set in the beating heart of Rome, just a stone's throw from Piazza Navona and the magnificent Pantheon, Palazzo Romano Apartments has its roots in an era long past. Piazza Navona is a magnificent square with a fountain by Bernini and a popular gathering point for Romans, with its bustling terraced cafés and seasonal fairgrounds. The apartment is also just a few steps from the Pantheon, the city's best-preserved ancient temple, and a must-see for any first visit to Rome.

The Trevi Fountain, the world's most famous fountain, is just around the corner. This Baroque masterpiece features tritons, winged horses, and drinking snakes, with its waters glittering from thousands of coins tossed by tourists. The apartment is also a few kilometres from the Sistine Chapel and the Roman sculpture-and-sarcophagi-filled Vatican Museums. Your journey is not complete without a visit to St. Peter's Square and St. Peter's Basilica, one of the largest churches ever built.

The Colosseum, the largest amphitheatre ever constructed, is within walking distance. Half circus, half sports arena, Rome's most famous classical ruin is unmissable, especially now that the visitor route has been extended to include the underfloor passageways through which gladiators and wild beasts once made their dramatic entrances. The apartment is also a few kilometres from the Palatine Hill and the Roman Forum, the ancient centre of the city's civil and religious life.

Palazzo Romano Apartments is 23 km from Rome-Ciampino International Airport "G. B. Pastine" and 30 km from Rome-Fiumicino International Airport "Leonardo da Vinci." The Pantheon is just 200 meters from the property, Piazza Navona is 260 meters away, St. Peter's Basilica and St. Peter's Square are 2 km, the Trevi Fountain is 1.3 km, the Roman Forum is 1.5 km, the Sistine Chapel is 3 km, the Vatican Museums are 3 km, the Galleria Borghese is 4 km, the Colosseum is 5 km, the Palatine Hill is 5 km, and Trastevere is 4 km.

The Property
Located in the heart of the Eternal City, Palazzo Romano Apartments is a 15th-century building featuring eight apartments that embody the true spirit of comfort and elegance, providing a perfect hideaway in one of Rome's most romantic corners. With ancient stones and archaeological fragments, this exclusive building offers an exquisite blend of period charm and modern comfort. Palazzo Romano Apartments can accommodate 26 guests across eight apartments plus four additional apartments (twelve apartments in total; thirteen bedrooms) spread over multiple floors.

Situated between Piazza Navona and the Pantheon, right in the heart of Rome, Palazzo Romano Apartments boasts deep historical roots. Large archaeological finds decorate the apartments, sourced from the family's private collection, which was started with passion at the end of the 19th century. Featuring ancient wooden doors and intricate inlays, the indoor space is enriched by precious ancient stones donated by the designer. Each stone bears witness to the glorious eras of Italian history, from the imperial age to the mediaeval era, up to the Renaissance.

This masterfully renovated 15th-century building boasts twelve apartments offering the ultimate blend of style and comfort. Alongside exquisitely modern design pieces, the family's style is complemented by original elements like antique wooden doors, majestic columns, and a rich array of stones that are a common thread throughout the apartments. In addition to the stones already collected, various new ones have been added from prestigious Italian antiques dealers.
