DESCRIPTION

Property 1708344290 - ROME

1 Bedroom

Location and Surrounding Area
Strategically situated in the heart of Rome, on the third floor of one of the city's historic palazzi, this contemporary one-bedroom apartment is the perfect base for your stay in the Italian capital. With a peaceful yet central location, many of Rome's most famous attractions are within easy walking distance, while the rest are just a short taxi ride away. Although it would take weeks to see all the city has to offer, a few days are enough to explore Rome's most beautiful sites.

Set in the vibrant heart of Rome, the apartment is just a stone's throw from Piazza Navona and the Pantheon. Piazza Navona is a magnificent square, home to a fountain by Bernini, and a popular gathering point for Romans, with its bustling terraced cafés and seasonal fairs. The apartment is also a few steps away from the Pantheon, the city's best-preserved ancient temple and a must-see for any first-time visitor to Rome. Between the lively Piazza Navona and the aristocratic Piazza Farnese lies Campo de' Fiori.

Open every day except Sunday, Campo de' Fiori frequently draws Romans as they pack fresh produce and fruit into their shopping bags. The market is also superb for cheeses, pasta, and even freshly squeezed juices. Once the stalls have closed for the day, the square transforms into a social hub, with bars and restaurants opening their doors for a lively aperitivo scene.

The Trevi Fountain, the world's most famous fountain, is about a twenty-minute walk away. This baroque masterpiece, with its tritons, winged horses, and snakes, glitters with thousands of coins tossed in by tourists. From there, head to the Spanish Steps, which lead into the Tridente shopping area, named after the trio of boutique-lined streets leading from Piazza del Popolo. Via Condotti, which extends from the Spanish Steps, is arguably the city's most prestigious shopping street.
