The pink-coloured Property 259 is an enchanting villa nestled within the lush greenery of a terraced olive grove, offering breathtaking views of the bay. While the property is perched high above the sea, guests can enjoy a short descent of approximately 150 steps to reach a private stone platform, perfect for a refreshing swim in the crystal-clear waters. The villa's exterior is designed in the traditional Ligurian style, featuring a charming slate roof and green shutters that blend seamlessly with the natural surroundings.

Spanning two levels, the villa is furnished in a contemporary style and offers a total living area of 400 square metres. The expansive garden, covering 2,000 square metres, provides ample space for relaxation and outdoor activities. The upper level serves as the heart of the home, where a spacious living room opens onto the main terrace through large French windows. This terrace, shaded by a magnificent century-old wisteria pergola, is the perfect spot for al fresco dining or simply enjoying the stunning views.

The upper level also features a formal dining room and a well-equipped kitchen, complete with modern appliances such as a refrigerator, dishwasher, gas stove, and oven.
