DESCRIPTION

Property 469 - San Giustino Valdarno - Tuscany

10 Bedrooms (4 double, 6 suites) – Heated indoor pool – SPA – Outdoor Pool

The Villa: An imposing gateway and long cypress lined driveway lead to the piazza where the villa is situated, before reaching the main entrance one passes a second security gate and the stable block. With over seven hundred hectares of land the estate offers many country pursuits with horse riding, biking and leisurely strolls though the outstanding countryside or trekking over the Pratomagno mountains.

The Villa is situated in a dominant position overlooking the medieval village of the Borro. The house itself portrays a stately elegance and is designed for comfort and practicality with three entrance levels. The road level floor houses laundry and service facilities, with a large kitchen which serves the lower terrace, moving upwards one finds the servants apartment, wine cantina, pantry, dispensary, saloon bar and billiard room and entrance to the fully equipped gymnasium, sauna and heated indoor pool.

The main level of the house overlooks the ornate formal Italian garden and has another large terrace. On this floor are the main entrance and hall, main marble stairway, two studies, bathroom, large drawing room, formal dining room, mud room and family kitchen. Moving upwards via either the main stairs, back stairs or elevator one finds the mezzanine level with four gracefully decorated double bedrooms, all with en-suite bathroom, with access to a small lounge/TV room and kitchen.

The next floor houses the six master bedroom suites, all sumptuously fitted and a small service kitchen.

Property 469 has a pool separated from the house at only 50 mt, right into the Ferragamo home Villa La Corte with exclusive use.

In order to give guests a truly luxurious stay at Property 469 a full staff is on hand to ensure the smooth running of the household. Room maids, a chef, receptionist are all on hand to cater to the clients wishes. Every morning a complimentary breakfast will be served; if requested, at lunch traditional Tuscan buffet fare is prepared either in the dining room or on one of the terraces and for dinner one of our international chefs will be on hand to create exquisite gala dinners, formal or informal. Food and beverages expenses (except breakfast) will be the responsibility of the client.

Activities - Once they have settled into the cosy and homelike setting of the villa guests have only to choose from the wide range of activities. Relaxing walks in the gardens or around the extensive estate, horseback rides through forests and vineyards, hot air ballooning, soccer, bike rides, golf practice on the driving range, city excursions and gourmet delights.
