DESCRIPTION

VILLA DELL'ULIVETO – POSITANO

5+1 Bedrooms

Location and Surrounding Area
Property 69 enjoys a lovely position on the Amalfi Coast, halfway between Piano di Sorrento and Positano, surrounded by lemon groves and olive trees. Quieter than nearby Sorrento but just as charming, Piano di Sorrento offers a relaxed atmosphere, local shops, and beautiful sea views, while Positano, a short drive away, is famous for its colourful cliffside houses, boutiques, and lively waterfront. Thanks to its location, the villa is perfectly placed for exploring both the Amalfi Coast and the surrounding countryside.

The Sorrentine Peninsula is renowned for its dramatic cliffs, crystal-clear waters, and enchanting views. Just a short drive from the villa, Sorrento captivates visitors with its lively piazzas, lemon-scented lanes, and sea-facing terraces. Beyond its vibrant centre, you will find quieter corners like the charming fishing village of Marina Grande, the peaceful cloister of San Francesco, and artisan shops selling the town's famous inlaid woodwork and traditional ceramics.

Heading further along the coast, Positano is an unforgettable sight, with its colourful houses clinging to steep cliffs and winding staircases leading down to a sun-kissed beach. Whether you spend your time shopping in its elegant boutiques, dining by the sea, or exploring hidden coves by boat, Positano promises glamour and beauty in equal measure. For a touch of history and adventure, the nearby islands of Li Galli offer excellent snorkelling in a mythical setting once said to be home to Homer's sirens.

Amalfi, once a powerful maritime republic, is rich in charm and tradition. Its majestic cathedral, pretty piazzas, and maze-like streets make it a joy to explore. From here, it is a short drive to Ravello, perched high above the sea. Known for its elegant villas and panoramic gardens, Ravello has long inspired artists and writers. Whether you are enjoying a concert in Villa Rufolo or simply soaking up the views, this hilltop gem captures the quiet, timeless beauty of the Amalfi Coast.

The Property
With its combination of antique furnishings, vibrant colours, and breathtaking surroundings, Property 69 is a beautifully restored country house nestled on the hillsides of volcanic rock in the heart of Campania. This charming villa offers a warm and welcoming atmosphere, blending the rich traditions of the region with style. The property can accommodate 9 guests in the main villa with 5 bedrooms (4 double and 1 single) and an additional 3 guests in the cottage, which has 1 double bedroom and a single sofa bed.

The villa's exterior is a serene retreat, surrounded by private gardens with palm trees, bougainvillea, and flowering plants. A private electric gate leads along a picturesque road lined with olive trees and flowers. Spacious terraces and a trellis-covered area provide peaceful spots to unwind, while the outdoor pergola with marble-top tables is perfect for al fresco dining. A beautiful swimming pool, set amid lush greenery, offers a refreshing escape with sun loungers for relaxing in the sun.

Main Villa (5 Bedrooms):
The ground floor of the main villa offers a bright double living room, perfect for relaxing. The fully equipped, stylish eat-in kitchen is ideal for preparing and enjoying meals, while the adjacent dining loggia provides a charming space for al fresco dining. Step outside to the shaded patio, perfect for enjoying the serene surroundings. This floor also features a double bedroom with an en-suite bathroom complete with a bathtub, as well as a convenient guest bathroom, ensuring both comfort and privacy for all guests.

Upstairs, the first floor has a single room with an 18th-century iron bed frame and en-suite bathroom with shower. Air conditioning is not available in the single room. A bright double bedroom, in yellow, offers beautiful views of the Galli islands through a picture window, with a chaise lounge to enjoy the scenery. The en-suite bathroom features lace curtains and an antique ceramic washbasin. Double doors lead to the terrace with lounge chairs. The second floor, accessible via external stairs, has two twin rooms (or double, on request) with en-suite bathrooms with showers.

Cottage (1 Bedroom + 1 Single Sofa Bed):
For added privacy, the cottage, 60 metres from the main house, offers a cosy retreat with a sitting room, comfortable sofa bed, and a picture window. The charming double bedroom (which can be converted into a twin room), with terracotta floors, includes a bathroom with a shower (accessible from the lounge area), making it an ideal hideaway within the beautiful gardens.
