DESCRIPTION

Property 10243 – Bellagio – Como Lake

2 Double bedrooms

This spacious and contemporary two-bedroomed apartment is located on the lakeside in Bellagio conveniently opposite the ferry terminal, which means you have no need for a car if that is your preference. There are several restaurants and cafes virtually on your doorstep as well as a lovely wine bar so there is no need to venture very far at all in order to find entertainment and good food. Alternatively there are several options close by for parking if you do bring a car, on a first come, first served basis.

Bellagio View (125 sq. m.) is located on the first floor of an historic building, which famously used to house the casino, up 2 flights of stairs and off the landing which is shared with 2 other apartments both owned by the same family (Simone and Mikol).

The apartment has 2 large double bedrooms each with plenty of storage, king size beds and air-conditioning as well as flat screen TV/DVDs and Wifi. Both bedrooms look out onto the pedestrianized street at the side of the building and are therefore very quiet with the added bonus of security shades further enhancing noise reduction and to help keep out the heat of the sun.
The spacious lounge has plenty of natural light flooding in from the 2 windows, which overlook the lake and ferry terminal - a perfect place for "people watching" and enjoying the views. The classic Italian furniture mixes well with the large contemporary black corner sofa, which turns into a double bed when extra sleeping space is required. There is a large flat screen TV/DVD and Wifi for your entertainment.
The bright and airy kitchen diner can be found next to the lounge and also has a window overlooking the lake. This is a great space for entertaining with a dining table to seat 6 and a large comfortable sofa so that you can chat with friends and family whilst preparing a meal. The kitchen is modern with white units and well equipped. It has a dishwasher for your convenience and a washing machine.
There are 2 lovely bathrooms located between the living space and bedrooms and both have showers and contemporary white suites. They are light and tiled with good quality Italian ceramics.
This apartment is a fantastic choice for a holiday close to the centre of Bellagio where many restaurants, bars and shopping can be found in abundance. The rest of the lake is easily accessed from the ferry and boat terminals close by making Bellagio an ideal destination.
