DESCRIPTION

Property 10726 - MAIORI

6 Bedrooms

Location and Surrounding Area
Set on the cliffs of Maiori with expansive panoramic views of the Tyrrhenian Sea, this magnificent six-bedroom property is the perfect setting for a relaxing break along one of the most iconic stretches of Mediterranean coastline. With its spectacular clifftop position facing the imposing Mount Vesuvius across the glittering Bay of Naples and the crystal-clear waters below, it is easy to see why the Amalfi Coast is considered a must-visit destination.

Maiori unfolds like an amphitheatre at the end of the Tramonti Valley. Founded in the 9th century and rebuilt after a flood in 1954, Maiori is now a lively yet laid-back seaside town. Tucked between mountains and sea, nearby Amalfi is best explored on foot: while Piazza Duomo and the main street host most of the shops and restaurants, it is well worth wandering through the quieter side streets, where arched passageways, hidden gardens, and intimate piazzas reveal the town's authentic charm.

The villa is also a few kilometres from Vietri sul Mare, a coastal town renowned for its centuries-old ceramic tradition. The majolica-decorated dome and bell tower of the Church of San Giovanni Battista have become emblematic of this picturesque destination overlooking the Bay of Salerno. Ceramics such as cooking utensils, plates, vases, and tiles have been produced here since the 15th century, and by the mid-18th century Vietri sul Mare had established itself as a prominent centre for majolica craftsmanship.

A short drive leads to Ravello, perched high in the hills above Amalfi and celebrated for its enchanting gardens and breathtaking views. Ravello hosts a renowned annual classical music festival held in the gardens of Villa Rufolo and Villa Cimbrone, as well as in a striking auditorium designed by Oscar Niemeyer. Originally built for the Rufolo family, Villa Rufolo was later remodelled in the 19th century by a Scottish admirer who carefully preserved its Arabic features.

Property 10726 is 64 km from Naples Capodichino Airport and 293 km from Rome Leonardo da Vinci Airport. The villa is located near the centre of Maiori, where all essential services can be easily found. Maiori is 4 km from the villa, Amalfi is 9 km, Vietri sul Mare is 12 km, Ravello is 13 km, Positano is 30 km, Pompeii is 37 km, Sorrento is 40 km, Herculaneum is 53 km, and Naples is 61 km.

The Property
Situated on a sheer cliff and composed of four charming, separate annexes, Property 10726 is a medieval watchtower ideal for those seeking complete privacy and relaxation in one of the most evocative corners of the Amalfi Coast. Suspended between an endless blue sky and the azure sea, the spectacular clifftop setting of this ancient tower ensures superb panoramic views. Offering sweeping sea vistas, Property 10726 can accommodate up to 12 guests, featuring 6 bedrooms with bathrooms distributed across four annexes.

With generous terraces overlooking the sea, this magnificent villa boasts an exclusive double-level swimming pool connected by internal steps, as well as a poolside area furnished with comfortable sun loungers, inviting guests to relax and unwind. The outdoor space also features an al fresco lounge area, perfect for socialising in a tranquil setting. A winding path leads down from the tower to a private cove, ideal for swimming in the sea and exploring its hidden corners.

Flooded with natural light, the ground floor has direct access to the outdoor terraces through large glass doors and includes a separate dining room with beamed ceilings and magnificent sea views. On the same floor, there is also a fully equipped kitchen with all the amenities you may need during your stay. Accessed via an external staircase, the first floor features a spacious panoramic living room with a fireplace, along with a guest bathroom. The second floor houses a master bedroom and a bathroom with a shower.

Located next to the tower, the first annex features a double bedroom with an en-suite bathroom with a shower and sea views. The second annex comprises a double bedroom and a twin room, each with its own en-suite bathroom with a shower, and sharing a delightful terrace. Situated near the pool area, the third annex includes a double bedroom with an en-suite bathroom with a shower and a charming private terrace. The fourth annex features a double bedroom with an en-suite bathroom with a shower.

A dedicated concierge is present on the property full-time each day, ensuring a seamless and comfortable stay. A typical working day begins at 9:00 am and ends at 6:00 pm, during which he is available to assist with any requests or arrangements. As the villa's caretaker lives on site, he can also be reached outside these hours if needed, offering additional peace of mind. His apartment is discreetly located near the entrance gate, allowing guests to enjoy complete privacy.
