DESCRIPTION

Property 1605885725 - CAPALBIO

5 Bedrooms

Location and Surrounding Area

Property 1605885725 sits on top of a hill covered in olive groves, overlooking vast plains of wheat fields and vineyards that stretch for miles until reaching the sea. Nestled at the southern border of Tuscany, it is a special spot where the scenic Tuscan countryside meets the blue waters of the Mediterranean. Located in Capalbio, just 12 km from the spectacular coast, this elegant four-bedroom villa is ideally located to explore the region's cultural highlights and most spectacular natural wonders.

Property 1605885725 is the perfect location for unforgettable day trips to the most beautiful towns in Tuscany and provides a unique opportunity to admire its splendid landscapes while soaking up the region's historical and cultural heritage. Some of the places in the surrounding area are the historic center of Capalbio, the towns of Porto Ercole and Santo Stefano, the Etruscan city of Tuscania and Tarquinia, the thermal baths at Saturnia, the Valle D'Orcia, and the medieval jewels of Siena, Montalcino and Montepulciano.

The villa is located near the heart of Capalbio, an alluring town standing at the top of a hill covered with Maremma brush. Because of its elegance, Capalbio has become a holiday destination for the elite, drawn by the evocative atmosphere in the streets and the ancient castle that dominates the valley below. Orbetello is nestled on a narrow strip of land stretching through a lagoon with the same name. In tune with its surroundings, the town's trade has always been fishing, made easy by the shallow waters of the lagoon.

The villa is a few kilometers from Magliano, famous for its delicious Morellino di Scansano wine. Boasting a pleasing medieval aspect, the town is perched on a hill with vineyards and olive trees right in the middle of the Maremma, whose natural park extends into the town's municipal territory. The picturesque seaside resort of Porto Santo Stefano overlooks the northern side of the peninsula. Particularly beloved are the promenade along the seafront and the port. From here, you can also explore the nearby Giglio Island.

Monte Argentario attracts tourists from all over the world for its unique landscape, its marine environment and its mild climate, which makes it a perfect holiday destination for most of the year. In addition to its natural beauty, the charm of Porto Ercole derives from the imposing Spanish fortresses that were built in the 16th century: Forte Filippo, la Rocca and Forte Stella are three perfectly preserved fortifications from which you can admire the wonderful views of the sea.
