DESCRIPTION

Property 1651263703 - RADDA IN CHIANTI

4 Bedrooms

Location and Surrounding Area
Immersed in the tranquil Tuscan countryside, this magnificent property is ideally located for exploring Tuscany’s cultural highlights and natural wonders. Situated in the heart of Chianti, just a few kilometres from the charming towns of Florence and Siena, Property 1651263703 represents the perfect location for day trips to the most beautiful towns in Tuscany. It offers a unique opportunity to admire its iconic landscapes while absorbing the region’s incredibly rich historical and cultural heritage.

The vineyards in this picturesque part of Tuscany produce the grapes used in the famous Chianti and Chianti Classico wines. The Chianti region boasts a landscape of historic olive groves, honey-coloured stone farmhouses, dense forests, charming Romanesque churches, Renaissance villas, and imposing stone castles built during the Middle Ages by Florentine and Sienese warlords. Chianti’s northern area sits in the province of Florence and is a popular day trip from the city.

In less than an hour by car, you can reach the medieval town of Siena. Its ancient red-brick buildings, the scallop-shaped main square, Piazza del Campo, and the Cathedral Square, dominated by the zebra-striped Duomo, make it a must-see for anyone travelling to Tuscany. Siena is effectively an open-air museum celebrating the Gothic style, with secular monuments that have retained both their medieval forms and exceptional art collections.

In one hour by car, you can also reach the walled town of San Gimignano, one of Italy’s best-preserved medieval villages. As you approach the town, the fourteen towers rise like a medieval Manhattan. The historic centre is a UNESCO World Heritage Site, and strolling through its streets will make you feel like you’ve stepped back in time.

Florence, just an hour away by car, is a treasure trove of art with a contemporary vibe. Beyond its extraordinary artistic heritage, the best way to experience Florence is to stroll along the riverside at sunset or lose yourself in the city’s maze of alleyways in the bohemian Oltrarno or the charming San Niccolò district.

The property is also a few kilometres from Volterra, one of Tuscany’s most dramatic hilltop towns. Despite its many attractions, Volterra sees fewer tourists than other Tuscan towns, allowing you to explore its winding stone streets and ancient sites in relative peace. Founded by the Etruscans and surrounded by medieval walls, Volterra has a notable historic centre filled with Roman ruins, medieval buildings, and alabaster workshops.

Property 1651263703 is 66 km from Florence Amerigo Vespucci International Airport, 111 km from Pisa Galileo Galilei International Airport, and 271 km from Rome Leonardo da Vinci International Airport.
