- Bluetooth Speaker
- American Coffee Machine
- Ice Machine
- Microwave
- Semi-Professional Coffee Machine

DESCRIPTION

Property 1651263731 - AMALFI

4 Bedrooms

Location and Surrounding Area
Located near the heart of Amalfi and featuring two terraces with spectacular sea views, this elegant four-bedroom villa is the perfect place for those seeking complete relaxation on one of the most famous stretches of coastline in the Mediterranean. Deemed an outstanding example of a Mediterranean landscape by UNESCO, the Amalfi Coast is one of Italy's most memorable destinations. Here, mountains plunge into the sea in a vertical scene of precipitous crags, cliff-clinging abodes, and verdant woodland.

Thanks to its enviable geography between the eastern and western parts of the Mediterranean, Amalfi became politically and economically important to the Byzantine Empire and a promoter of Christianity in Northern Africa. Tucked between mountains and sea, Amalfi is a town best explored on foot. While Piazza Duomo and the main street are home to most shops and restaurants, take some time to explore the quieter side streets, where you will find arched passageways, hidden gardens, and tiny piazzas.

Conca dei Marini is a pearl on the Amalfi Coast, nestled among scented lemon orchards and flamboyant flowers. Less renowned than the nearby Amalfi, Ravello, and Positano, this tiny town has impeccably preserved the old charm of a fishing village, with white houses tucked into the rock like precious stones in a sculpted setting. It first made headlines in 1962 when Jacqueline Kennedy, on holiday with her children in Ravello, would depart from Conca dei Marini’s port for waterskiing trips with the Agnelli family.

Maiori's wide stretch of beach, covering about a kilometre of coastline in fine, large-grain sand, is the town's top attraction, making it a lively and popular destination. The Amalfi Coast does not have many sandy beaches; instead, the coastline is home to countless tiny coves lined with rocks or small beaches with pebbles worn smooth by the waves. The main seafront beach was formed as a result of the catastrophic floods of 1954, which destroyed the historic centre, and is located next to the rebuilt modern centre.

Property 1651263731 is 64 km from Naples Capodichino International Airport and 291 km from Rome Leonardo da Vinci International Airport. The centre of Amalfi is just 270 m from the villa; Conca dei Marini is 4 km away, Minori is 4 km, Maiori is 7 km, Ravello is 7 km, Praiano is 13 km, Positano is 17 km, Vietri sul Mare is 22 km, Pompeii is 36 km, Herculaneum is 53 km, and Naples is 60 km. The villa is conveniently located near the centre of Amalfi, where bars, restaurants, and all necessary services can be easily found.

The Property
Located just a stone’s throw from the centre of Amalfi, Property 1651263731 provides the ultimate retreat for those seeking complete privacy and relaxation in one of the most evocative corners of the Amalfi Coast. With an impressive sense of comfort and elegance, this exclusive villa features two terraces and an abundance of light. With spectacular views over the sea, Property 1651263731 can accommodate up to eight guests in four double bedrooms, each complete with an en-suite bathroom.

Boasting wonderful views of the sea, the villa features a generous 150 sqm terrace equipped with comfortable deckchairs and sun loungers, inviting guests to sit back and unwind while enjoying the charming panorama. The terrace also includes an exclusive hot tub for up to six guests (open from April to October), al fresco dining areas, and lounge areas for relaxing and socialising. With blue majolica flooring reflecting the shades of the sea, this terrace is the perfect retreat to sunbathe or simply sip a cocktail while enjoying the sea breeze.

Flooded with natural light, the villa boasts an elegant living room with high vaulted ceilings and a sofa with ample seating. From the living room, you can access the second terrace through a French door. The dining room is located in a veranda where you can enjoy a beautiful view of the coast and the sea, providing an enchanting backdrop for your lunches or romantic dinners. The blue cushions complement the otherwise neutral backdrop of the walls, while the windows capturing views of the sea create a luminous atmosphere.

Decorated with a palette of soft natural tones, the first room is a double bedroom with an en-suite bathroom. The bathroom, adorned with handmade majolica tiles, features a shower. Offering a tranquil atmosphere, the second room is also a double bedroom with an en-suite bathroom. Like the first, this bathroom is decorated with handmade majolica tiles and features a shower. Both rooms provide access to the second terrace with charming views of the sea, and you will reach the rooms from the corridor.

The third room, flooded with natural light, consists of three connected areas: a living area, a sleeping area, and an en-suite bathroom with handmade majolica tiles and a shower. The living area features a sofa and two armchairs, while the sleeping area includes a double bed. The fourth room is another double bedroom complete with an en-suite bathroom decorated with handmade majolica tiles and a shower. As with the third room, you can access the second terrace with lovely views of the sea from both rooms, and you will reach them from the corridor.

The villa boasts a fully equipped kitchen decorated with charming majolica tiles. The kitchen is fitted with an induction hob, electric oven, fridge with freezer, dishwasher, microwave, ice maker, coffee machine, American coffee maker, toaster, and other small appliances. It has two windows offering delightful views of the sea. You can access the kitchen from the corridor. Like the other rooms, the kitchen is equipped with air conditioning and heating.

The villa also features a laundry area equipped with a washing machine, dryer, iron, and ironing board. Here, you will also find a guest bathroom, accessible from the corridor. The villa includes a second guest bathroom and a fifth bathroom with a shower, both reachable from the corridor. All rooms, except the bathrooms and laundry room, feature air conditioning. Additionally, all rooms have wireless internet access.
