DESCRIPTION

Property 1651263776 - SANT'ANGELO IN COLLE

11 Bedrooms

Location and Surrounding Area
Immersed in the peaceful Tuscan countryside, this magnificent, carefully restored property is ideally located to explore the region’s cultural highlights and spectacular natural wonders. With wonderful views of the surrounding landscape, this exclusive eleven-bedroom villa is an exceptionally elegant estate, serving as the perfect location for unforgettable day trips to the most beautiful towns in Tuscany. It offers a unique opportunity to admire splendid scenery while soaking up the region’s rich historical and cultural heritage.

Sant’Angelo in Colle is a picturesque hilltop village in Tuscany, celebrated for its breathtaking views and rich cultural heritage. Surrounded by vineyards and olive groves, this charming destination is renowned for its wine production, particularly the esteemed Brunello di Montalcino. The village features narrow streets, quaint architecture, and historical landmarks. With its proximity to notable towns like Montalcino and Montepulciano, Sant’Angelo in Colle serves as an ideal base for exploring the beauty of the region.

Montalcino is a charming medieval town renowned for its exceptional wine, particularly the prestigious Brunello di Montalcino. Nestled on a hilltop, it offers panoramic views of the surrounding vineyards and rolling hills. The town is characterised by its narrow streets, historic architecture, and ancient fortifications, inviting visitors to explore its rich cultural heritage. Montalcino’s vibrant community hosts numerous festivals celebrating its winemaking traditions, making it a delightful destination for wine enthusiasts.

Pienza, often referred to as the "ideal city" of the Renaissance, is a picturesque town celebrated for its stunning architecture and historical significance. Nestled in the heart of Tuscany, it is renowned for its exceptional pecorino cheese. The town's layout, designed by Pope Pius II in the 15th century, showcases elegant buildings, charming piazzas, and narrow streets that invite leisurely exploration. Pienza is a UNESCO World Heritage site, reflecting the perfect blend of urban planning and natural beauty.

The Property
Located in the heart of Tuscany and surrounded by vineyards, Property 1651263776 has been transformed from its historical 16th-century origins into a luxurious country retreat. With panoramic views over the Tuscan hills, private gardens, and a pool, the property is the ideal place to enjoy a holiday with family and friends. This carefully renovated estate can accommodate up to 22 guests in a private apartment with two double bedrooms and nine suites (double bedrooms).

Surrounded by a generous garden, the property features a beautifully laid-out salt-water pool and an expansive poolside area furnished with comfortable sun loungers. The tranquil atmosphere, combined with captivating views of the rolling countryside, transforms the garden and paved poolside area into idyllic spots for basking in the sun and unwinding in nature's embrace. Whether sipping a refreshing drink or indulging in a good book, this serene oasis promises a perfect retreat for relaxation and rejuvenation.

The beautifully restored barrel cellar has been thoughtfully transformed into a charming dining room, where guests can savour exquisite Tuscan delicacies crafted from a harmonious blend of ancient seasonings, fresh local produce, and a touch of personal flair from our talented chefs. Our dinners are inspired by the changing harvests of the seasons, ensuring that you will be consistently amazed by the diverse array of exceptional foods and wines available for your enjoyment in this unique setting.

Elegantly furnished, the property can accommodate up to twenty-two guests in one apartment with two double bedrooms and nine suites (double bedrooms). Each room boasts the finest furnishings and bed linen, providing all the comfort and space you might need to relax in total privacy. In keeping with the nature of the property, much of the wooden furniture has been handmade using recycled beams from the original roof structure dating back to the 1500s.
