DESCRIPTION

Property 1708344335 - OSTUNI

5 Bedrooms

Location and Surrounding Area
Set in the captivating countryside of Ostuni, Property 1708344335 offers a perfect blend of elegance and serenity. Ideally located, the villa provides easy access to charming nearby towns such as Alberobello, Cisternino, and Martina Franca. Just 35 kilometres from the coastal beauty of Brindisi and an hour and twenty minutes from the vibrant city of Bari, this villa is the ideal base for exploring Apulia's rich culture and stunning landscapes, all while enjoying exceptional luxury and comfort.

In just ten minutes by car, you can also reach Ostuni, also known as "the white city." With its ancient cobblestone streets, grand churches, and quaint white houses, Ostuni boasts remarkable history that goes back to the Stone Ages. The Cathedral and the Bishop's Palace are especially striking, but there are many other architectural gems to be found, including the old homes of the nobles. You would not be mistaken for thinking that you are wandering around a lovely Greek village.

With white-washed houses, a stunning square, and narrow, winding streets, Cisternino is one of the most picturesque towns in Apulia. Despite its small size, Cisternino has a lively atmosphere, particularly in the summer months when the town's main square comes alive with music and entertainment. Make sure you check out the town's famous barbecuing butchers: just choose your meat, take a seat, and wait for your meal to be brought out to you.

The villa is just a stone's throw away from the town of Martina Franca, the largest town in the Valle d'Itria. Being in the heart of the valley, the town of Martina Franca is a great base from which to explore this wonderful area, but spend some time exploring its old centre, an interesting mix of golden baroque and Greek-like white architecture with many grand palazzi and churches, and a maze of narrow side streets perfect for aimless wandering.

In forty minutes by car, you can easily reach Locorotondo, a whitewashed hilltop town designated as one of the most beautiful towns in Italy. The old city radiates out around the 19th-century neoclassical Chiesa Madre San Giorgio, a church dedicated to the patron saint of the city. Since Locorotondo is perched on a hill, you can get amazing views of the surrounding countryside from the Villa Comunale, the public garden located on the west side of the historic centre.
