The Property
Set within a stunning olive grove surrounded by vineyards, this charming estate offers guests two beautiful stone farmhouses that blend rustic charm with refined elegance. The interiors feature simple yet tasteful furnishings, with wooden floors and whitewashed chestnut ceilings, harmoniously combining stone and darkened iron accents. Each Casale includes three bedrooms (two double bedrooms and a quadruple room with a double bed and a bunk bed) for up to six adults and two children.

Between the two farmhouses, a stunning panoramic swimming pool awaits, equipped with large parasols, sunbeds, and plush garden mattresses, creating a serene and inviting space to unwind while taking in the breathtaking views of the surrounding landscape. The property spans five hectares, with three hectares dedicated to lush vineyards, set around 400 metres above sea level, nestled at the foot of the majestic Maritime Alps and just a stone's throw from the French border.

Each house boasts a front garden with a lush lawn and olive trees, featuring a dining area complete with a table and chairs, a barbecue, and comfortable sun loungers, ideal for relaxing and al fresco meals. Inside, each villa offers an open-plan dining and living room of about 50 sqm, complemented by a fully-

equipped kitchen on the ground floor, ensuring both comfort and convenience for guests during their stay in this serene Ligurian retreat.

Each farmhouse includes two double bedrooms on the first floor, and a spacious quadruple room with a double bed and a bunk bed on the ground floor. The bunk bed is hidden behind a metal partition wall in the same room. Like the living area and the kitchen, the quadruple bedroom also overlooks the garden. Each of the two bedrooms on the first floor is independently accessible via external stairs. All the bedrooms have an en-suite bathroom with a shower, and, in each bathroom, the toilet is separated by a door.
